

Beirut Forward Emergency Room

Who are we?

Central operations team

Formed of representatives from key entities and specialized establishments*

Orchestrating disaster relief efforts

Across all key activities from immediate support (food, medical care and shelter) to cleaning-up and rebuilding

To maximize impact, efficiency and transparency

Through prompt resource management, continuously updated and transparent reporting, and collaboration with local/international entities

*The Lebanese Army, Lebanese Red Cross, Beirut Governorate, Beirut Municipality, High Relief Committee, the Ministries of Health, Social Affairs, Public Works and Transport, Communications, Energy and Water, and the Civil Defense

Beirut Forward Emergency Room

What do we do?

Mapping the need

Directly from citizens by mapping the city (shelter, food, medical, rebuilding efforts)

1

Supporting NGOs/volunteers

Directly by advising on sectors to be covered, dedicating security teams, and distributing tools*

5

Mapping the support

To keep an overall view across international and local NGOs, volunteers, resources

2

Safeguarding our city and people

And ensuring no theft, good-will abuse, or safety risk impacts Beirut, its citizen, or volunteers

4

3

Coordinating efforts

Across all parties to maximise synergies and impact

6

Inform the victims and public

About any relevant information and/or guidance that could be valuable

7

Keep stakeholders aware of progress and needs

By maintaining and publishing updated logs of all achieved progress and incoming needs

Beirut Forward Emergency Room

How can we accompany you?

-  Setup a partnership and way of working together
-  Utilize tools to coordinate efforts efficiently and avoid overlapping
-  Define specific scope and work areas
-  Direct you to the area and share information
-  Allocate a team responsible for your safety from the Lebanese army or Beirut guards
-  Provide you with additional equipment you need

Re-build our city together!

Beirut Forward Emergency Room
